Available from the CIA Graphics Register are three sets of photographs of the damaged Janiskoski Dam believed to have been taken in 1947:

- A. Eleven photographs numbered "1" through "11" each marked "Janiskoski Dam - Winter 1947 - 48" and a photograph of a sketch marked "Janiskoski Dam - Winter 1947 - 48 Key" on which the points at which and the directions from which the above mentioned eleven photographs were taken have been indicated by arrows accompanied by the numbers "1" through "11".
- B. Six photographs numbered "3", "4", "62", "63", "65", "67" each marked "Janiskoski Dam 1947 C" and a photograph of a sketch marked "Janiskoski Dam 1947 C Key" on which the points at which and the directions from which the above mentioned six photographs were taken have been indicated by arrows accompanied by the number of each photograph.
- C. Seven photographs numbered "1" through "7" each marked "Janiskoski Dam 1947 D" and a photograph of a sketch marked "Janiskoski Dam 1947 D Key" on which the points at which and the directions from which the above mentioned seven photographs were taken are indicated by arrows accompanied by the numbers "1" through "7".
